RULES AND REGULATIONS

**(41) NEW SERVICES RUN TO BARNS, CAMPS, PUMPS AND MISCELLANEOUS
SERVICES NOT CONSIDERED PERMANENT RESIDENCES**

A. Conditions for Overhead Services

1. All wiring must be in accordance with Rules and Regulations of the Cooperative and the National Electrical Code.
2. All extensions 150 feet from the nearest existing facility will be at no charge. Greater than 150 feet and less than 1,000 feet will be considered advance for construction. The cost of advance for construction will be refunded in four (4) equal payments to the member over a period of four (4) years, provided the service stays connected during that time. The advance payment will be forfeited if the service is disconnected or ownership of service is changed during this refundable period.
3. All over 1,000 feet will be considered as PSC Regulation.

- B. Condition for Underground Service.** Aid to construction payment shall be estimated by the cooperative before construction is begun. When construction is completed, the member shall be billed for the actual cost of construction and credit shall be given for advance payment. This payment shall be considered as aid to construction.

(42) SECURITY LIGHTS

- A. The installation of security lights is available to all Blue Grass Energy members under the following conditions.**

1. Security light requests requiring a pole installation will be required to pay the actual cost of construction from existing facilities to new service in advance. This advance payment shall be considered as an aid to construction.
2. Members are expected to assist in the curtailment of security light vandalism. In the event security light vandalism occurs, the cooperative will bear the cost of repairing or replacing the bulb or fixture the first time. If the security light is damaged again within a year, it will not be repaired or replaced unless the owner bears the cost.

- B. The cooperative reserves the right to discontinue service to any location after a fixture has been vandalized.**
